

**RESOLUTION # 2000-1**

**RESOLUTION OF COMMENDATION AND APPRECIATION OF THE  
OPERATING ENGINEERS LOCAL #3.**

**Whereas**, Rancho Murieta was first envisioned as the Operating Engineers Local #3 Training Center in the early 1970's, and

**Whereas**, early on in the community's development, the apprenticeship training exercises constructed a major portion of the communities infrastructure and road system, and

**Whereas**, the Operating Engineers have continued their work in the community by completing training exercises and construction related activities benefiting the community, and

**Whereas**, the Community Services District has in the past partnered with the Operating Engineers to complete projects on numerous infrastructure projects for the betterment of the District and community, and

**Whereas**, it is with great appreciation that the Board of Directors of the CSD recognize the efforts of the Operating Engineers, on behalf of the community at large, particularly the residents who enjoy the fruits of their labor, and

**Therefore be it resolved**, that the Board of Directors commends the Operating Engineers Local #3 for their accomplishments and training exercises which constructed facilities that truly benefit the community and enhance its attractiveness for future generations.
